

NHS Supply Chain Promotion

Additional Extended Warranty on Vivid™ Cardiovascular Ultrasound Systems

Take advantage of the limited-stock promotion available through NHS Supply Chain. Purchase a Vivid E95 or Vivid S70N through NHS Supply Chain and receive:

-  Additional 2-year extended warranty (3 years total system coverage)
-  Whole-life cost savings
-  Quick delivery available

Vivid™ E95 Ultra Edition

Powered by AI, elevated by you

Premium 4D cardiovascular ultrasound system designed to provide you with uncompromised image quality, advanced visualisation capabilities and easy measurements – while helping reduce repetitive tasks and inter-observer variability.

Be empowered with the expanded advantages of artificial intelligence and achieve accurate, reproducible and high-quality exams quickly and easily. The vital work you do with patients every day is the inspiration of the Ultra Edition. AI, powered by the GE HealthCare Edison™ platform, and the extraordinary processing capacity of the cSound™ imaging architecture empower these new innovations. Work efficiently and comfortably with familiar, yet modern and efficient designs that help you streamline exams.

Vivid™ S70N Ultra Edition

Powered by AI, elevated by you

Designed to provide you with uncompromised image quality, advanced visualisation capabilities and easy measurements – while helping reduce repetitive tasks and inter-observer variability.

Be empowered with the expanded advantages of artificial intelligence and achieve accurate, reproducible and high-quality exams easily and quickly.
